THE BOARD OF PATENT APPEALS AND INTERFERENCES

In re application of                      Appeal No. 2006-2079  
Nakayuki YAMAMOTO et al.              Conf. 5317  
Application No. 08/913,056              Group 1616  
Filed October 22, 1997

MUCOSAL PREPARATION CONTAINING PHYSIOLOGICALLY ACTIVE PEPTIDE

REQUEST TO RESCHEDULE HEARING

MAY IT PLEASE YOUR HONORS:

Appellants respectfully request that the Board reschedule the hearing in the above-referenced appeal, now scheduled for October 19, 2006.

The undersigned has a longstanding prior commitment to be out of the country on other business during the week of October 16, 2006. Moreover, as the undersigned has handled the prosecution of this application from its filing, and as the appeal involves rather particular issues of organic chemistry, it would be difficult for another attorney in this firm to attend in his place.
